## Sewer Capital Expansion Fees

---

---

All Capital Expansion Fees are to be paid in full prior to construction. All associated fees are subject to change at any time.

<u>Per Dwelling:</u>	\$1,500
<u>Service Inspection Fee:</u>	\$96
<u>Administrative Fee:</u>	\$300

Capital Improvement Fees for approved development shall be charged on a per dwelling or unit basis. This fee does not include the cost of service installation. Customer will be required to extend services at their cost, to the furthest corner of property or as designated by the District.

Customer has one (1) year after funds are submitted to install service(s). If service(s) are not initiated within one (1) year, the District shall refund all funds paid, excluding administrative fee. Once connected said customer is required to retain active status for a minimum of 24 consecutive months.

If customer is required by the District to extend a main or service line beyond their personal property for future expansion purposes, said customer is to be guaranteed a payback not to exceed exact costs of original project, for any properties that connect within the extended expansion area for a period of up to five (5) years from the date of project completion.

**All new connections are required to have an official Capital Expansion quote on file and all costs associated with service connection must be paid in full prior to construction.**
